

THE SHARING ECONOMY

Welcome to the Primer series. Here you will find the weekly Primer articles and some curated resources to support teaching and learning.

In this issue, let's consider the extent to which participation in the sharing economy should be encouraged.

Scan or click on the QR code to access the primer.

In this issue, we will:

- explore characteristics of the sharing economy; and
- examine the opportunities and challenges presented by the sharing economy.

BACKGROUND

DISRUPTIONS TO INDUSTRY SECTORS

Watch this video to find out how certain sectors are being disrupted by the sharing economy and why investors are caring about sharing.

RISKS OF THE SHARING ECONOMY

Read this article to learn about how the sharing economy can be lucrative but has its associated risks.

EFFECTS ON CONSUMERS

Read this article to find out more about the impact of big money on the sharing economy, and its effects on consumers.

Scan or click on the QR codes below to access the links.

As you read these articles, consider the following:

- To what extent does the sharing economy present benefits or pose challenges to society?
- How far do you agree with the perspectives and how does each writer's view support or challenge the others?

Appeal of the Sharing Economy

Menon discusses how the pandemic has increased the appeal of the sharing economy, especially to millennials in Singapore.

A Shift from its Ideals

Crespo and Ollala argue that, despite its name, the sharing economy has drifted from its ideals of inclusivity and sustainability.

Rethinking the Sharing Economy

Ramizo asserts that companies in the sharing economy should be held accountable for mitigating their negative social impact.

CORDELIA SIM	NJC	SENTHIL KUMAR PRIYADHARSHINI	YIJC

READING CAMPAIGN

Organised in conjunction with the Primer season
(over 12 weeks from 20 March to 7 August)

PRELIMINARY ROUNDS

- One winner per school per week*
- Winners are determined based on the total number of articles read in each week.
- Each winner will receive a prize from SPH Media Limited.

*Past winners will not be eligible in the following weeks but will qualify for the final round.

FINAL ROUND

- The top three students who read the most articles over the 12 weeks will be identified from the weekly winners and they will receive attractive prizes from SPH Media Limited!
- The school with the highest average number of articles read during the Primer season will also be announced at the end of the campaign.
