TEMASEK HOLIDAY VOLUNTEERING PROGRAMME

*Each of these organisations aims to address a social cause in Singapore.
Make meaningful use of your school holidays – sign up as a volunteer!*

Seniors Go Digital Co.
Seniors Go Digital Co. organises regular classes in Community Centres around Singapore catered for the elderly. These classes aim to equip the elderly with essential digital skills that they may need in their everyday lives.

As a volunteer, you will attend these classes as a mentor to teach small groups of elderly how to use some essential applications. Be prepared to be patient!

Soup Kitchen for the Needy
Soup Kitchen for the Needy routinely cooks and distributes meals to low-income families all around Singapore. Many of these families appreciate the hot meal and the friendly faces of the volunteers.

Volunteers will help to prepare and deliver food to the households. You will also have the chance to interact with the people they help!

Four Paws Animal Welfare Shelter
Four Paws takes in stray or abandoned animals and cares for them until they can be re-homed. They also treat them for any diseases and injuries they may have.

A volunteer at Four Paws will be expected to play with the animals, administer their medicine, and keep their living spaces clean. You can't be squeamish!

This is your chance to make a difference!

*Learn new skills, gain new experiences, and meet new people as a volunteer
this coming school holiday!*
