**Section B**

Read the printout of a webpage below and use the information to answer the question on page 3 of the Question and Answer Booklet.

With the 65<sup>th</sup> Anniversary around the corner, we are calling out to you to share your suggestions with us. Your class's decision might just be the main feature of the celebration in 2022!

#### Student-led Publications

What better way to know more about the school than hearing it from students themselves?

Students will write and create school publication materials such as the newsletter, school magazine and the school website! Budding writers, take out your pens and start sharing first-hand experiences of yourself and your peers about our school programmes!

#### Corporate Gift Design Competition

From the designing of school corporate gifts from pens to teddy bears, students are encouraged to take part in this design competition to help the school decide on what gifts we can present important visitors for the 65<sup>th</sup> Anniversary.

Your suggestion and design might just be the corporate gift for PSS in 2022 and upcoming years!

#### Banner Design Competition

What better way to announce the school programmes and achievements other than banners hung proudly outside the school? Get ready your pencils and paintbrushes and start sketching! Our budding animators are also welcome to unleash their creativity!
