Tertiary Experience for Secondary Students!

Experience your areas of interest before committing yourself!

Animators at Play

Work with animation students to get a glimpse of life as an animator:

- learn and create complex animation sequences
- conduct research on consumer habits to understand evolving digital trends
- co-create an animation production to include in your portfolio

Playwright at Work

Join theatre students to learn the basics of becoming a writer for a play:

- understand the importance of creative elements needed in a play
- learn and create story lines and dialogues for school productions
- be part of the team to review and edit the script for the actual performance

Urban Forester at Task

Partner urban environment students to understand the importance of greenery in Singapore:

- study what trees to plant and where to plant these trees in Singapore
- learn to inspect trees to determine their health, and care for unhealthy trees
- join environmental groups to learn tree pruning and plant conservation
