Question 2

You should look at the printout of a webpage in the Insert, study the information carefully and plan your answer before beginning to write.

You are a Values-in-Action (VIA) Ambassador of your school's VIA Society and you have been tasked to select an organisation to work with, so that the members of the Society have a chance to hone their leadership skills and contribute back to society.

You have been asked to make your selection from organisations that are currently partnering the school and to present your proposal in the form of a speech to the school's Vice-Principal, Head of Department for Character and Citizenship Education and the members of the VIA Society.

In your speech you should state clearly:

- which organisation the VIA Society should work with and why
- the skills and qualities you and your peers have to offer
- how working with the organisation would benefit you and your peers

Write your speech in clear, accurate English and in a persuasive, enthusiastic tone to convince your audience that your proposal is the best choice.

You may add any other details you think will be helpful.

You should use your own words as much as possible.
